Subject: Request for Regional Meeting; Round 2 Regional Haze State Implementation Plans

Hello,
I'm looking forward to the discussion tomorrow. We have a number of allies joining the call from local and national groups in WY, UT, MT, ND, and CO. I could not edit the original meeting invite to add them directly so I forwarded on the call information. Please let me know if you would like a full contact list.

For discussion topics -- the advocates have prepared a short overview of our concerns with round 2 SIPs (~20 mins) and then we would like to open the space for discussion and questions.

Are there specific items that EPA would like to address?

Thanks,
